Listing Procedures

Section 1 Listing Procedures: Listings of real or personal property of the following types:

- a) single family homes for sale or exchange, including condominiums and townhouses
- b) vacant lots and acreage for sale
- c) two-family, three-family and four-family residential buildings for sale or exchange,

which are listed subject to a real estate broker’s license, and are located within the territorial jurisdiction of the multiple listing service, and taken by Participants on an Exclusive Right to Sell or an Exclusive Agency listing contract, shall be delivered (entered into the computer system) to the Multiple Listing Service within Twenty-Four (24) hours (excludes weekends, holidays, and postal holidays), after all the necessary signatures of seller(s) have been obtained. Listings of property located outside of the MLS’s jurisdiction will be accepted if submitted voluntarily by a Participant, but cannot be required by the Service. (Amended 11/01)

A copy of the listing contract may be requested via computer audit and/or staff. Refer to Section 1.16 – Monitoring of Listings. The listing service member shall retain the listing agreement and the property data form for at least three (3) years.

NOTE 1: The multiple listing service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a “Property Data Form” may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

- May reserve the right to refuse to accept a listing form which fails to adequately protect the interest of the public and the Participants.
- Assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller).

The multiple listing service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the multiple listing service acting as subagents, buyer agents, or both. (Amended 11/96)

The listing agreement must include the seller’s written authorization to submit the agreement to the multiple listing service.

The different types of listing agreement include:

- exclusive right to sell
- exclusive agency
- open
- net (not acceptable in NYS)

The Service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted except where required by law because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation. (Amended 4/92)

The **exclusive right to sell listing** is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. (Amended 4/92)

The **exclusive agency listing** also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or a symbol from the exclusive right to sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempt. Care should be exercised to insure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations. (Listing Types: “Exclusive Right to Sell” or “Exclusive Agency”. Service Types: “Limited Service” or “MLS Entry Only”. If Prospect Reservations included indicate” in the “Special Conditions Apply Call Listing Broker” field,) (Amended 4/92)

NOTE 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the multiple listing service.

NOTE 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. (Adopted 11/92) **M**

Section 1.01 Clear Cooperation** Within one (1) business day (**ending at 5:00 p.m. and excludes weekends, holidays, and postal holidays**), of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 11/19) **M**

Note: Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of the NAR model MLS rules, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.

Section 1.1 Types of Properties - Following are some of the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types that may be filed with the service at the participant’s option provided, however, that any listing submitted is entered into within the scope of the participant’s licensure as a real estate broker: (Amended 11/91) **O**

1. Owner’s Name: The Owner’s Name must always be filled in with the actual name(s) as appears on the deed. If the owner(s) do not wish their name to appear in the MLS, then a letter from the owner must be required by the listing agent or noted on the listing agreement and filed with the service for approval. An exterior front (street) view of the home (main building) is required as one of the photos. (An exception would be a "to be built" property). New Construction may use a comparable rendering or photo. Office, agent and personal promotion information is prohibited from being included anywhere on the property photo. **Photos entered into the MLS cannot be reused by another broker without the consent of the listing broker who originated the photo(s).** Any and all photos submitted cannot contain watermarks. **For violations of this section, the MLS may remove the violation and/or fine the Participant. A banner on a photo is considered 'personal promotion' and is not allowed.**
 4. **Attachments:** The attachments must contain information, (i.e. disclosure forms, photos, floor plans, maps virtual tours) specifically related to the property being offered. These attachments should not be used for listing agent, company or personal promotion.
 5. **Virtual Tour/3D Virtual Tour/Aerial Drone Video Link Fields:** The Virtual Tour/3D Virtual Tour/Aerial Drone Video fields shall contain only a URL link directly to the Virtual Tour for that specific property listing. The URL is not to contain Agent/Company names. A Virtual Tour is defined as a 360-degree tour of a property, or a slide show of static pictures, which may include audio. Visual or audio information regarding the listing agent and/or company including contact information is prohibited. Advertisements are not allowed. Links or framing that show or lead to contact information or advertisements are also prohibited. For violations of this section, the MLS may remove the violation and/or fine the Participant. In addition, a letter will go to the Participant asking him/her to correct the information within 5 business days or the Participant’s access to the MLS will be terminated until the violation is corrected. **Virtual Tours/3D Virtual Tour/Aerial Drone Videos entered into the MLS cannot be reused by another broker without the consent of the listing broker who originated the tour(s).**
 6. **Remarks Sections:**
 - a. “Public” Remarks Section – This section is reserved to further describe the property being offered for sale or lease. It should NOT contain: **anything that is not about the property itself including marketing info; showing info;** personal information; company information; web addresses; phone numbers; co-listers; links; bonus information; other inappropriate information, **unless required by MLS Rules or guidelines.**
 - b. “Private” Remarks Section – This section is reserved for information to be shared with other MLS Participants. This includes: bonus information; lock box location; appointment information; web addresses.

Note: It is the responsibility of the Designated REALTOR to ensure accuracy at all times. The responsibility of data accuracy when entered in the MLS cannot be placed on another party such as the buyer or buyer’s agent.
 7. **Delayed Showings/Negotiations:** Delayed Showings/Negotiations (DNS notices) are allowed. All listings in the Service that are not immediately available for showing/negotiations must have the owner(s) complete the **required** Delayed Showing/Negotiation Form. This form must be filed as an attachment to the listing AT THE SAME TIME the listing is entered into the MLS. The date(s) and time(s) that the property will be available for showing and/or negotiations **MUST** be put into the PRIVATE & PUBLIC Remarks. Open houses are not to be scheduled during the “No showing” time frame. Note: The property is to be considered “Active” and days on market will continue to be counted.
 8. **Directions to Property:** The Directions to Property field must contain directions that any reasonable, prudent person can use to locate the property. Consult map, see agent, sign names, company identity, websites and other inappropriate information, are not permitted.

If there is a directional, such as “N” for north, enter in the Pre or Post directional field. Other directional input should go in the “Directions to Property” section.
10. **Tax Information:** Enter only the Total True Taxes. Do not enter taxes reflecting any exemptions. Exemption value can vary from individual to individual. The Tax ID# must match the Tax ID# supplied by the MLS tax vendor, where available. When not available, Tax ID must also contain the SWIS Code, **if property is located in NY state.**
11. **Proper MLS Area/Property Type:** All properties must be listed according to address and assessment jurisdiction only. NYSAMLS will not accept an additional listing for a property because the listing office wants to emphasize the school district, zip code, etc.
12. **Exclusive Right to Sell Contract:** All information in the Exclusive Right to Sell Contract must correspond with the Property Data Form and the information entered in the MLS. When taking a listing for a “To Be Built” lot (RES) or vacant land, an Exclusive Right to Sell Contract and Property Data Form for each lot listed is not required but the listing contract must list all of the lots to be sold. (ex: If twenty-two (22) lots are allocated to be sold in a subdivision, each lot will have a separate ML number and be listed on an Exclusive Right to Sell Contract.)
13. **Changes** - All changes to the listing agreement information must be entered into the service within 24 hours and in any case no later than the next business day.
14. **Square Footage** – Square Footage should match the tax records. **If the tax records are incorrect and the square footage is changed from what the tax records indicate, an explanation of the difference must be disclosed in the public remarks.** *Note – please indicate the source of the adjusted square footage).* For reference, Square Footage is area which is “above grade and heated living area”. Best way to obtain the sq. ft. is to measure the exterior dimensions of the dwelling. Fannie Mae & Freddie Mac guidelines and FHA & VA allow 50% of a below grade area to be used as sq. ft. but only if access and egress exists on two levels, such as a hillside. On a Cape Cod the second floor should be measured using the area that is at least 5 ft. or higher.
15. **Use of Incomplete MLS #'s** - MLS#'s of Incomplete listings are prohibited from use in advertising in any media until the property is in the “Active” Status.

Note: Adoption of Section 1.2.2, MLS Entry-only Listings, is optional and a matter to be determined by each MLS. (Adopted 5/01) **O**

(Adopted 11/96) **M**

(Amended 11/11)

In addition, no participant will report a single sale more than one time on any property filed with the Multiple Listing Service.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 11/11)

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 11/11) **M**

Section 2.6 Reporting Resolutions Of Contingencies: The listing broker shall report to the multiple listing service within twenty-four (24) hours that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled. **M**

Section 2.7 Advertising Of Listings Filed With The Service: A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker. **M**

Section 2.8 Reporting Cancellation Of Pending Sale: The listing broker shall report immediately to the Service the cancellation of any pending sale, and the listing shall be reinstated immediately. **M**

Section 2.9 Disclosing The Existence Of Offers: Listing Brokers, in response to inquiries from buyers or cooperating brokers, shall, with the sellers’ approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker. (Amended 11/08) **O**

Section 2.10 Availability Of Listed Property: Listing brokers shall not misrepresent the availability of access to show or inspect listed property. (Adopted 11/05) **O**

Refusal to Sell

Section 3 Refusal To Sell: If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants. **R**

Prohibitions

Section 4 Information for Participants Only: Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker. **M**

Section 4.1 “For Sale” Signs: Only the for sale sign of the listing broker may be placed on a property. (Amended 11/89) **M**

Section 4.2 “Sold” Signs: Prior to closing, only the “sold” sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. (Amended 4/96) **M**

Section 4.3 Solicitation of Listing Filed with the Service: Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTOR® Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. **M**

Section 4.4 Use of the Terms MLS and Multiple Listing Service: No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. (Adopted 11/07) **O**

Division of Commissions

Section 5 Compensation Specified on Each Listing:

The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other multiple listing participants for their services in the sale of such listings. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker’s performance as the procuring cause of the sale (or lease) or as otherwise provided for in this Rule. The listing broker’s obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker

and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through the MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid. (Amended 11/98)

In filing a property with the multiple listing service, the participant of the service is making blanket unilateral offers of compensation to the other MLS participants, and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell*. (Amended 11/96)

* The compensation specified on listings filed with the multiple listing service shall appear in one of two forms. The essential and appropriate requirement by a Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the listing broker in writing in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. by showing a percentage of the gross selling price.
2. by showing a definite dollar amount. (Amended 5/10)
3. by showing a percentage of net sales price.*

The listing broker retains the right to determine the amount of compensation offered to other participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different. (Amended 11/96)

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales (or lease) price or as a flat dollar amount. (Amended 5/10)

* **Note:** MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales price defined as the gross sales price minus buyer upgrades (new construction) and seller concessions (as defined by the MLS unless otherwise defined by state law or regulation). (Adopted 5/08)

While MLSs are not required to authorize participants to offer cooperative compensation based on net sale prices, those that do permit such offers must define "seller concessions" for purposes other than new construction, unless that term is defined by applicable state law or regulation. The definition of "seller concessions" is loan origination or discount fees, mortgage application fee, mortgage tax, deed and mortgage recording fees, mortgage title insurance premium, appraisal fee, credit report and lender's attorney's fee, pre-payables and escrow that is paid by the seller on behalf of buyer, as per original contract.

Note 1: The multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service participants for their services with respect to any listing by advance published notice to the service so that all participants will be advised. (Amended 4/92)

Note 3: The multiple listing service shall make no rule on the division of commissions between participants and non-participants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which

the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. (Amended 5/10)

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. (Adopted 11/05)

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential “Private Remarks” available only to participants and subscribers. (Amended 5/09) **M**

Section 5.0.1 Disclosing Potential Short Sales: Participants may, but are not required to, disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) to other participants and subscribers. (Amended 5/09)

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants. (Adopted 5/09)

Where participants communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating participants, listing participants shall disclose to cooperating participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 24 hours of receipt of notification from the lender. (Adopted 5/10) **M**

Section 5.1 Participant As Principal: If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants. **M**

Section 5.2 Participant As Purchaser: If a participant or any licensee (including licensed or certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (Amended 2/92) **M**

Section 5.3 Dual or Variable Rate Commission Arrangements - Not Enforceable in NYS

Service Charges

Section 6 SERVICE FEES AND CHARGES: The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

Initial Participation Fee: An applicant for participation in the Service shall pay an application fee of \$ (**Refer to Appendix A - Fees**) with such fee to accompany the application. The application fee is predicated upon participation remaining in force. If a Participant is inactive for a year or more, a new fee will be required to reactivate the Participant’s status.

Recurring Participation Fee: The participation fee of each participant shall be an amount equal to \$ (**Refer to Appendix A - Fees**) times each salesperson and licensed or certified appraiser who has access to and use of the service, whether

licensed as a broker, salesperson or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made on or before the first day of the fiscal year of the Multiple Listing Service. Fees shall be prorated monthly per schedule in Appendix A - Fees.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated* *(Adopted 11/18)* **M** By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors).

Note: A multiple listing service may elect to have such fees payable on a quarterly or even on a monthly basis. However, added administrative services are necessitated by increased frequency of such payments.

Note 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, charge recurring fees. *(Amended 11/17)* **R**

Listing Fees: Refer to Appendix A – Fees.

Staff Fees: An MLS may charge for the use of staff time. Refer to Appendix A – Fees.

Census: A census may be conducted for the purpose of tracking licensees of Participants and licensed or Certified Appraisers who are licensed under or working for a MLS Participant. An invoice will be sent on behalf of the above mentioned licensee. Failure of the Participant to report such individuals after receipt of invoice will result in suspension. At the time of the census, brokers must verify any clerical staff and their passwords.

Refunds: Refer to Appendix A

Assessments: The MLS is authorized to levy special assessments for the purpose of meeting current operating expenses of the Service provided; however, that such special assessment during any calendar year shall not increase the annual participation fee for each Participant and participating licensee in excess of \$(See Appendix A).

Other Fees: Other fees for Keybox system, Security program, etc. may be instituted. Refer to Appendix A.

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline: By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. probation for a stated period of time not less than thirty (30) days nor more than one (1) year
- f. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- g. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. *(Adopted 11/07)* **M**

Section 7.1 Compliance with Rules: The following action may be taken for noncompliance with the Rules:

- a. For failure to pay any service charge or assessment within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the service shall be suspended until service charges or fees are paid in full.
- b. For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.

Upon notification to the MLS of any infraction of the MLS Rules and Policies, the MLS Staff or Automated Compliance Program will do the following: Contact the listing agent or manager or Designated REALTOR® of the firm to resolve the infraction. If the infraction is not corrected within forty-eight (48) hours, the appropriate sanction will be imposed on the Designated REALTOR®. The first notification of a rule violation is used to educate the agent of the infraction and the Listing Agent is given 48 hours to correct or the applicable fine will be assessed. The second notification for same rule violation (for any listing) to the same agent sets grounds for an immediate first offense fine to the agent and DR® (refer to Appendix A). The third notification for same rule violation (for any listing) sets grounds for an immediate second offense fine to DR® (refer to Appendix A), etc.

Note: Generally, warning, censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. (Amended 11/88)
R

Section 7.2 Applicability Of Rules To Users And/Or Subscribers: Non-principal brokers, sales licensees, appraisers and others authorized to have access to information published by the MLS are subject to these Rules and Regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the Rules and Regulations. Further failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participants ultimate responsibility and accountability for all users or subscribers affiliated with the Participant. (Adopted 4/92) **O**

Section 8 Meetings: The meetings of the Participants in the Service or the Board of Managers/Directors of the MLS for the transaction of business of the Service shall be held in accordance with the provisions of the Operating Agreement of UNYREIS. **R**

Enforcement of Rules or Disputes

Section 9 Consideration Of Alleged Violations: The **Board of Managers of UNYREIS** shall give consideration to all written complaints having to do with violations of the Rules and Regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors). (Amended 12/18) **M**

Section 9.1 Violations Of Rules And Regulations: If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the board of directors of the service, and if a violation is determined, the board of directors may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the primary association in accordance with the bylaws and rules and regulations of the primary association of REALTORS® within twenty (20) days following receipt of the directors' decision. (Amended 11/96)

If, rather than conducting an administrative review, the MLS has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the board of directors of the MLS within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the professional standards committee of the primary association of REALTORS® for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the primary association of REALTORS®. (Amended 2/98) **M**

Section 9.2 Complaints Of Unethical Conduct: All other complaints of unethical conduct shall be referred by the Rules & Regulations Committee to the Secretary of the Association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the Association's Bylaws. (Amended 11/88) **M**

Section 9.3 Complaints of Unauthorized Use of Listing Content: Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the committee (Board of Directors) will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. **M**

Section 9.4 MLS Rules Violations: MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. **M**

Note: Adoption of Sections 9.3 and 9.4 are not required if the MLS has adopted alternative procedures to address alleged misuse of listing content that includes notice to the alleged infringer.

Confidentiality of MLS Information

Section 10 Confidentiality Of MLS Information: Any information provided by the multiple listing service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participants. (Amended 4/92) **M**

Section 10.1 MLS Not Responsible For Accuracy Of Information: The information published and disseminated by the service is communicated verbatim, without change by the service, as filed with the service by the participant. The service does not verify such information provided and disclaims any responsibility for its accuracy. Each participant agrees to hold the service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides. **R**

Ownership of MLS Compilation* and Copyright

Section 11 By the act of submission of any property listing content to the MLS the participant represents and warrants that he or she is fully authorized to license the property listings content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing

content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (Amended 12/18) **M**

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

Note: One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP’s copyright infringement liability. For more information see 17 U.S.C. §512. (Adopted 11/15) **I**

Section 11.1 All rights, title, and interest in each copy of every multiple listing compilation created and copyrighted by the MLS and in the copyrights therein, shall at all times remain vested in the MLS. **R**

Section 11.2 Display: Each Participant shall be entitled to lease from the MLS a number of copies of each Service compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such Compilation. The participant shall pay, for each such copy, the rental fee set by the MLS.

Participants shall acquire by such lease only the right to use the Service compilation in accordance with these Rules. **M**

Use of Copyrighted MLS Compilations

Section 12 Distribution: Participants shall, at all times, maintain control over and responsibility for each copy of any MLS Compilation leased to them by Western New York Real Estate Information Service, and shall not distribute any such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by Western New York Real Estate Information Service Multiple Listing Service is strictly limited to activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed or published by Western New York Real Estate Information Service Multiple Listing Service where access to such information is prohibited by law. (Amended 4/92) **R**

Section 12.1 Display: Participants and those persons affiliated as licensees with such participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation. **M**

Section 12.2 Reproduction: Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation and distribute to prospective purchasers a reasonable* number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participant or their affiliated licensees, be interested.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support an estimate of value on a particular property for a particular client. However, only such information that the Multiple Listing Service has deemed to be non-confidential and necessary to support the estimate of value may be reproduced and attached to the report as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations. **M**

**It is intended that the participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Use of MLS Information

Section 13 Limitations On Use Of MLS Information: Information from MLS compilations of current listing information, from statistical reports, and from any sold or comparable report of the MLS may be used by MLS participants as the basis for aggregated demonstrations of market share or comparisons of firms in public mass-media advertising or in other public representations. This authority does not convey the right to include in any such advertising or representation information about specific properties which are listed with other participants, or which were sold by other participants (as either listing or cooperating broker).

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from the New York State Alliance of MLS's for the period (date) through (date). M

Internet Data Exchange ("IDX")

Section 18 IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing. (Amended 5/17) **M**

Section 18.1 Authorization: Participants' consent for display of their listings by other Participants pursuant to these rules and regulations is presumed unless a Participant affirmatively notifies the MLS that the Participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a Participant refuses on a blanket basis to permit the display of that Participant's listings, that Participant may not download, frame or display the aggregated MLS data of other Participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution. (Amended 5/17) **M**

Section 18.2 Participation: M

Participation in IDX is available to all MLS participants who are REALTORS® who are engaged in real estate brokerage and who consent to display of their listings by other participants. (Amended 11/09)

Section 18.2.1 Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitor/ensuring compliance with applicable rules and policies. (Amended 5/12) **M**

Section 18.2.2 MLS Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 5/12) **M**

Section 18.2.3 Listings including property addresses can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs or other electronic forms of display or distribution). (Amended 5/17) **M**

Note: All Active listings that belong to IDX Participants, and are marked 'Y' in the 'IDX' field, from the following Property Types: Single Family Residential, Multifamily, Condo/Townhouse, Commercial, Apartment and Land. Listings that are marked 'N' in the "IDX" Y/N field are prohibited from display on an IDX website.

Section 18.2.4 Participants may select the listings they choose to display on their IDX sites based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell, or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed on any IDX site must be independently made by each participant. (Amended 5/17) **M**

Section 18.2.5 Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours. (Amended 11/14) **M**

Section 18.2.6 Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. (Amended 5/12) **M**

Section 18.2.7 Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. (Amended 5/12) **M**

Section 18.2.8 Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 18.2.9, a participant's IDX display may communicate the participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. (Adopted 5/12) **M**

Section 18.2.9 Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. (Amended 5/12) **M**

Section 18.2.10 An MLS participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14) **M**

Section 18.2.11 Participants shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. (Adopted 05/15) **M**

Section 18.2.12 All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.* (Amended 05/17) **M**

Virtual Office Websites (VOWs)

Section 19.1 VOW Defined

- a. A “Virtual Office Website” (VOW) is a participant’s Internet website, or a feature of a participant’s website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant’s oversight, supervision, and accountability. **M**
- b. As used in Section 19 of these rules, the term “participant” includes a participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “participant’s consent” and “participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a participant. **M**
- c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW. **M**
- d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants. **M**

Section 19.2

- a. The right of a participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. **M**
- b. Subject to the provisions of the VOW policy and these rules, a participant’s VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX). **M**
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant’s VOW. **M**

Section 19.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
- i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
 - iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user

name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password. **M**

- b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. **M**
- c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. **M**
- d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
 - ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database. **M**
- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. **M**
- f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant. **M**

Section 19.4 - A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW. **M**

Section 19.5 - A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. **M**

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- a. A participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on

the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet. **M**

- b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision. **M**
- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater. **M**

Section 19.8- A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. Section 19.13 - A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies. **M**

Section 19.14 - A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the
