

FRAN HENTY GOLDEN RULE AWARD

In 1980, Francis Henty became a REALTOR® Member of the Greater Rochester Association of REALTORS®. His office was located on Maple Street in Dansville, N.Y. Distance did not keep Fran from serving on committees. He was Chairman of the Professional Standards Committee for many years as well as the Membership Committee. He was the first non-resident member to sit on the Board of Directors.

His distinguished service to GRAR (then known as the Real Estate Board of Rochester) is reflective of his commitment to hard work and excellence. His accomplishments and honors, innovations and involvement were the milestones of his life and his career. He was proud to be a REALTOR® and he always went the extra mile to observe the spirit of the Code of Ethics and bring honor to the real estate industry.

In 1989, Fran Henty passed away. The Association wanted to do something special to honor his memory. In 1997, the "Fran Henty Golden Rule Award" was established for members who "go that extra mile" in their real estate career as well as their personal lives. Examples include but are not limited to: helping a colleague with their business if they are seriously ill or going through a family crisis; identifying a real estate issue and leading the campaign to rectify the problem; working tirelessly to help an area affected by a natural disaster.

Some examples of past winner's actions include:

1. Helping fellow agents who have serious medical issues by stepping in to keep their business' running as well as offer emotional support;
2. Paying off a seriously ill colleague's mortgage to help them keep their home;
3. Helping a colleague pick up the pieces of their life after a family tragedy;
4. Facilitating assistance for family's due to natural disasters;
5. Donating blood and platelets to the Red Cross and organizing blood drives on a regular basis;
6. Organizing fundraisers to help pay for colleague's medical expenses;
7. Working on community issues.

Qualifications of your nominee **must** be listed in your comments. Nominations without qualifications and supporting documentation will be eliminated.
