Thanks for your interest in supporting the Greater Rochester Association of Realtors annual ReBoot Technology Conference. This full-day event hosts 150-200 tech-savvy real estate professionals from Rochester and the surrounding areas.

This year’s conference features presentations from national and local speakers, panels of industry experts, and an Agent Connection Expo where conference attendees visit our vendors and sponsors to meet new professional partners. We offer two options for businesses to participate:

Sponsorship

We offer a variety of sponsorship options, from raffle gift baskets to all-day tables. Pricing ranges from \$300 to \$3500. See details on the next page.

Agent Connection Expo Vendor

The all-day Agent Connection Expo is held in a ballroom adjacent to the main presentation room. Table fees range from \$350 to \$950. See details below.
