

Greater Rochester Association of REALTORS® Legacy Award Winners

NEW in 2024 The Legacy Real Estate Award recognizes an individual who has made a significant and lasting impact on the real estate industry through innovation, mentorship, and dedication. This prestigious award celebrates those whose contributions have shaped real estate professionals, leaving a legacy that continues to inspire and influence future generations. A mentor's legacy is not just about the immediate guidance they provide, but the lasting effect it has on their mentee's development and future decisions. By mentoring others, this person contributed to the growth of future leaders within Real Estate, thus building a legacy.
